## WEB APP DEVELOPER

---

## PROFILE

---

I am a software developer graduate from ALX - SWE Program, with a Specialization in Front-end. I am very confident in my skills and feel as though I am capable of learning and expanding the knowledge I already have to create and work with the latest technologies.

## EXPERIENCE

---

- **FREE LANCED UI/XI DESIGN**

2023 - PRESENT

- Created a few posters and cover pages for people.

- **2 YEARS EXPERIENCE WITH JAVASCRIPT.**

- Currently learning more on Javascript Libraries (React.js / Next.js) and styling Frameworks such as bootstrap and Tailwindcss.

- **1 YEAR EXPERIENCE IN PYTHON.**
